Re: IFF ParaFloorball (International Floorball Federation)

Dear Madame/Sir,

On behalf of the International Floorball Federation (IFF), I would like to confirm that the IFF works closely with several entities and forms of ParaFloorball.

The IFF ParaFloorball Function was established by the IFF Central Board during its meeting held on December 11th, 2010 in Helsinki, Finland. The mission of the ParaFloorball Function is to coordinate the activities of the different versions of floorball played by disabled athletes.

At the moment the IFF cooperates with the Special Olympics International (SOI), the International Committee of Powerchair Hockey (ICPH), the International Committee of Volt Floorball and the International Committee Wheelchair Floorball (ICWH).

During 2023 IFF has had a number of meetings with the steering group for all these organisations looking on how to cooperate better with these organisations, that are directly connected to their respective national floorball federations

IFF hereby confirms that:

1. International Committee Wheelchair Floorball (ICWF)

Is the governing body for wheelchair floorball at the international level from the perspective of the IFF, and that the IFF cooperates with this committee to develop wheelchair floorball. <https://wheelchairfloorball.info/>

2. International tournaments

International tournaments organized by this committee (ICWF), listed on the official website of this organization: <https://wheelchairfloorball.info/tournaments/> are official tournaments for this branch of wheelchair floorball from the perspective of the IFF.

3. Rules

Addendums of the rules of floorball for this branch of wheelchair floorball and rules for international tournaments issued by this committee and listed at: <https://wheelchairfloorball.info/the-rules/> are official rules for wheelchair floorball from the perspective of the IFF.

If any questions arise in relation to the work the IFF does in regard with ParaFloorball, you are more than welcome to contact me directly. My email address is liljelund@floorball.sport

With sincere regards

International Floorball Federation
